

Circular

Dear Parents

We at DAV Patiala hope that you and your family are doing well during these unprecedented times. DAV Patiala being a child centric organization always looks forward for the betterment of the students. During this time, DAV Patiala was the first school in Patiala that initiated online classes to ensure our students remain engaged in the learning process. We are trying our best for online classroom transaction and the feedback received from all the parents is quite encouraging and motivating which keeps us going despite whatever comes on our way.

Furthermore as per the guidelines issued, **there will be no increase in tuition fee this session.** The **updated online portal is available now for payment of Tuition Fee** with monthly option during this lockdown period. After the lockdown is lifted, we will let you know the fee schedule/details for the rest of the period of Session 2020-21. The parents who wish to choose any option other than above to pay fee can do so as given below:

- **Drop in cheque facility at the school:** A box has been provided at the school, you can drop the cheque at the school with monthly/quarterly fee option. At the back of the cheque write the following details: **Student's Name, Father's Name, Admission No, Class & Section.**
- **Payment by visiting any of the following 2 banks:** SBI, Bhupindra Nagar Branch or HDFC, Leela Bhawan Branch. The school voucher will be available for the convenience of the parents.

In this critical time, we pray for the well being of each one of you and peace and wellness of this whole universe. May God bless all of us to see positive side of this time and be positive and happy under HIS will.

DAV Public School, Patiala
